COAL OPERATORS SEND OUT ORDERS READY FOR STRIKE

**BELIEVE MINERS WILL STRIKE IN
PROTEST AGAINST RULING OF
JUDGE ANDERSON**

**LABOR LEADERS SAY IF COURT
RULING IS UPHOLD IT IS
DEATH TO UNIONISM**

(By United Press.)

Indianapolis, Nov. 1.—There will be no authorized nation-wide coal strike in protest against the check-off injunction granted by Federal Judge A. B. Anderson, it was learned here today.

There might be some walkouts but they will not spread throughout the country nor will they be ordered from the national headquarters of the United Mine Workers of America.

Chicago, Nov. 1.—Orders to prepare for a strike of coal miners were sent out by large coal mine operating companies today from their general offices here.

Mine operators believe the miners will strike in protest against a ruling of Judge A. B. Anderson in Indianapolis preventing collection of union funds by the check-off system.

Local mining foremen were instructed to get their property in a condition to prepare for a shutdown. Miners' union officials are meeting in Indianapolis to decide what action will be taken to fight Judge Anderson's ruling.

Leaders in labor circles here today believed if the court ruling is upheld it will mean the downfall of unionism.

300 Miners Walk Out.

Athens, Ohio, Nov. 1.—Three hundred mine employees at a mine of the New York Coal company here walked out today.

They quit because of the federal injunction against the check off. More Athens miners are expected to follow today.

Weisman Conviction

Upheld By High Court

Minneapolis, Nov. 1.—The United States circuit court of appeals yesterday affirmed the conviction of Mike Weisman, Saul Goldberg, Frank Bank and David Posnick, who pleaded guilty to complicity in the Winnipeg-Minneapolis whiskey conspiracy and were sentenced to the federal penitentiary at Fort Leavenworth, by United States District Judge Page Morris, July 31, 1920. Weisman and Goldberg received sentences of 18 months imprisonment and \$5,000 fines, and Bank and Posnick, sentences of one year and a day imprisonment. Oscar Martinson, former Hennepin county sheriff, who was sentenced on the same charge, to two years in prison, was recently released after serving 14 months of his sentence.

In the case decided yesterday, a stay of 30 days was given the four defendants. E. S. Cary, attorney for Weisman, announced that he would immediately take an appeal in Weisman's case to the United States supreme court.

Weisman is now also under sentence of not more than seven years in Stillwater penitentiary for operating a vice resort. His appeal in that case is before the same appellate court that decided against him Monday.

BODIES OF DROWNED

FISHERMEN RECOVERED

(By United Press)

Anglesia, N. J., Nov. 1.—The bodies of four fishermen were recovered today and seven others were believed to have been drowned when their boat was capsized in yesterday's storm.

Resolution Adopted To

Investigate Charges of Brutality to Soldiers

(By United Press)

Washington, Nov. 1.—The senate today adopted a resolution authorizing the appointment of a committee of five senators to hear the charges by Senator Watson, of Georgia, that American soldiers in France were treated inhumanely and hanged without court martial.

SOME OF THE INITIATED MEASURES DEFEATED

Fargo, N. D., Nov. 1.—With some of the initiated measures in the recall election undoubtedly defeated nonpartisans today took on new hope.

If they succeed in defeating even two or three of the measures put up by the independents the ousting of their office holders will not taste so bad, they said.

Around league headquarters there was talk of a general house cleaning before the primaries next spring. How far the organization would go was not indicated. Four of the league's best leaders are now out of it and the organization is tottering.

President Townley goes to jail in Minnesota today for three months. Vice President Lemke was ousted as attorney general in the election. Governor Frazier and Commissioner of Agriculture and Labor Hagan also were ousted. This leaves the organization without leaders who are outstanding. Despite the fact that Frazier, Lempe and Hagan polled around 100,000 votes they were beaten by a narrow margin, they step out of the limelight at least temporarily as a result of their defeat.

Meantime independents who captured the office of governor, attorney general and commissioner of agriculture and labor, plan to take time by the forelock, and perfect an organization in the next few months that will defy the reorganization purposes of the league.

R. A. Nestos at Minot, said he hoped to be "governor of all the people," when he takes office next month.

NORTHWEST NEWS

(By United Press.)

Campaign Against Cancer

St. Paul, Nov. 1.—The state board of health and other public health organizations of the state today joined in a national campaign against the spread of cancer.

The death rate from cancer in Minnesota last year was alarming according to statisticians of the state board of health.

Discussions of the discovery of a German doctor, that cancer is developed from an earth larva carried by angle worms, as told exclusively in this country by the United Press recently, will occupy conferences during the week.

Asks Change of Venue

Fargo, Nov. 1.—Efforts of William Gummer, 20, to obtain a change of venue from Cass county will be renewed this week. Gummer is scheduled for trial during this term of district court opening today on charge of murdering Marie Wick of Grygla, Minn., June 7.

Previous hearings for a change of venue were twice set and postponed, owing to legal technicalities. States Attorney Green, who is prosecuting the case has opposed a change.

The murder of Marie Wick, 17, was one of the most revolting and brutal murders ever committed in the state. She was found beaten to death and tied to her bed in the Prescott hotel on the morning of June 7. Until her identity was established through a check book, mystery surrounded her appearance in the city. Then it was learned she was of irreproachable character and respectable parentage and had stopped over night in the city on a vacation trip from Grygla, Minn., to the home of an aunt in this state.

For a week authorities were baffled in their investigations which established that the young lady had conducted herself on the train and in the city on the evening of her arrival until she went to her room in a proper manner and had done nothing to bring herself to this horrible end.

Clues then developed which centered suspicion on the night clerk, a young man from Mayville, N. D. General public opinion is that if Gummer was implicated he was not alone.

His preliminary trial in June excited wide interest and crowds whom the court room could not accommodate were turned away.

The hotel where the murder occurred was closed the first of October, the lessee not renewing her contract. It is undergoing improvements and may be reopened in a short time.

Australia Worth \$10,000,000,000

Melbourne, Nov. 1.—The wealth of Australia is approximately \$10,000,000,000, according to an announcement by Sir Dennison Miller, Governor of the Commonwealth Bank of Australia.

GREAT WAR CHIEFS ARE GUESTS OF THE LEGION CONVENTION

**MARSHAL FOCH MADE SPEECH,
DECLARED GREATEST HONOR
OF LIFE WAS LEADING
AMERICANS**

(By United Press.)

Kansas City, Mo., Nov. 1.—"Hosts of democracy" welcomed their chiefs today.

An invocation was let loose by 18,000 American Legionnaires when the men that led them in France were guests at the Legion convention.

Marshal Foch, General Pershing, General Jaques and General Diaz occupied seats in the convention hall when the morning session opened. The Legion greeted General Pershing's reference to the disarmament conference and aid for disabled service men and unemployment noisily. He brought his speech to a dramatic close by calling upon the Legion to pause a moment in silent prayer for the dead in France.

Marshal Foch followed Pershing's speech in French. Legionnaires cheered as Foch declared "the greatest honor of my life will be to have guided along the road to victory the American army of 1918."

Foch's speech was mostly a review and tribute to America in the war, declaring to the ex-service men "you may be proud." He recounted the quickness in which America placed 3,500,000 men in the field; the rapidity with which men were trained and the accomplishment of the country as a whole.

Resolution Circulated Criticizing President

A resolution criticizing the conduct of President Harding for his attitude toward ex-service men as reflected in congressional action, was printed and circulated on the floor of the convention. The resolution called particular attention to what is termed a lack of sympathy for former soldiers in the world war.

The resolution was circulated by the resolutions committee.

Americans Held

By Mexicans Bandits, Released For Ransom

(By United Press)

Washington, Nov. 1.—Four employees of the American Smelting company were captured by Mexican bandits on the night of Oct. 30 near the mine of the company at Parol in the Mexican state of Chihuahua, the state department was advised today.

The men were held for 25,000 pesos ransom but were released upon the payment of 5,000, advices said.

Heavy Grain Movement

Montreal, Que., Nov. 1.—Hundreds of cars loaded with grain are arriving daily for re-shipment to Europe, and the floating elevators now in operation work fifteen hours a day, and handle about 7,000 bushels of grain an hour, or 420,000 bushels per day.

THE BRITISH-IRISH PEACE NEGOTIATIONS AT BREAKING POINT

(By United Press)

London, Nov. 1.—The newspapers united in declaring that the Irish peace negotiations which were to have been resumed today were on the verge of a breakdown.

At Downing street it was admitted that "the situation is most difficult but representatives of both the government and the Sinn Fein denied that any actual break-up had come."

London, Nov. 1.—The government obtained its expected mandate from the house of commons tonight to proceed with the Irish negotiations. The Unionist motion, censuring the government for initiating the Irish negotiations was voted down, 439 to 43.

The premier also achieved another of his oratorical victories before an expectant audience. So far as the movement of protest was designed to draw information as to the proceedings of the conference, it failed. The premier gave no information as to what has been decided, or is being discussed regarding Eamonn De Valera's claim to independence and the rumored attempts to arrange concessions from Ulster for a united Ireland. These remain in the realm of speculation.

One piece of information the premier did give. It was that unless something happens within a few days, presumably in the conference to solve the unsettled status of Ireland's two governments, steps would be taken to give the Ulster parliament the powers necessary to make it a real government.

HUNDREDS TURNED AWAY

(By United Press.)

Los Angeles, Cal., Nov. 1.—Hundreds of murder fans were turned away from the Los Angeles county court house today when Judge Sydney B. Reeve announced no spectators would be allowed in the court while a jury is being selected to try Arthur V. Burch on charges of murdering J. Belton Kennedy. A great crowd, mostly women, had gathered on the street outside the court house before the ruling was made.

Helena Prepares To Wage Cleanup Drive

Helena, Nov. 1.—City and county officials, on request of citizens, have combined on a cleanup campaign. Road houses are to be closed, unless they reform; the bootlegger is to be curbed and dances of questionable character are to be stopped.

Women and girls in increasing numbers are said to have been seen intoxicated at road houses and in and about dance halls.

There has also been steadily rising indignation over the manner in which illicit liquor is finding its way into the hands of girls and boys.

A recent case in which a man held a girl of 14 prisoner in a deserted house for three days was the last straw. He drew a 35 years sentence.

THANKSGIVING PROCLAMATION

By PRESIDENT WARREN G. HARDING

ed us, the aspirations which have inspired us. We shall be prospered as we shall deserve prosperity, seeking not alone for the material things but for those of the spirit as well, earnestly trying to help others, asking before all else, the privilege of service. As we render thanks anew for the exaltation which came to us, we may fittingly petition that moderation and wisdom shall be granted to rest upon all who are in authority, in the tasks they must discharge. Their hands will be steadier, their purposes strengthened, in answer to our prayers.

"Ours has been a favored nation in the bounty which God has bestowed upon it. The great trial of humanity, though indeed we bore our part well as we were able, left us comparatively little scarred. It is for us to recognize that we have been thus favored and when we gather at our altars to offer up thanks, we will do well

pledge, in humility and all sincerity, our purpose to prove deserving. We have been raised up and preserved in national power and consequence, as part of a plan whose wisdom we cannot question. Thus believing, we can do no less than hold our nation the willing instrument of the providence which has so wonderfully favored us. Opportunity for very great service awaits us if we shall prove equal to it. Let our prayers be raised for direction in the right paths. Under God, our responsibility is great; to our own first, to all men afterward; to all mankind in God's own justice.

"Now, therefore, I, Warren G. Harding, President of the United States, hereby designate Thursday the twenty-fourth day of November, to be observed by the people as a day of Thanksgiving, devotion and prayer; urging that at their hearthstones, and altars, they will give thanks for all that has been rendered unto them, and will pray for a continuance of the divine fortune which has been showered so generously upon this nation.

"In witness whereof, I have hereunto set my hand and caused to be affixed the seal of the United States of America.

"Done at the capital of the United States, this 31st day of October, in the year of our Lord, nineteen hundred and twenty-one, and of the independence of the United States, the one hundred and forty-sixth."

AUTO BANDITS BLOW BANK SAFE OF ST. LEO BANK

**GET SEVERAL THOUSAND IN SECURITIES—EXPLOSION WRECKS
BANK ROOM**

St. Leo, Minn., Nov. 1.—Bandits blew the safe of the First State Bank of St. Leo at 4 a. m. today and escaped with several thousand dollars in securities and about \$100 in cash.

The securities are worthless to the bandits, according to Cashier L. P. Funke. He said there may have been a few liberty bonds in the safety deposit boxes however.

The bandits only succeeded in blowing the outer door of the safe. Most of the bank's cash was within the inner door and was untouched.

Residents heard a light explosion about 3:30 a. m. Many thought it was the pranks of Halloween celebrators and did not know it occurred at the bank.

A short time later a terrific explosion was heard. The whole door of the safe was blown off and parts of it was blown through the front of the building into the street. The whole front of the building was wrecked and the interior of the bank damaged.

Residents were on the street immediately after the explosion and saw men running toward an automobile parked two blocks from the bank. The men escaped.

No one had time to secure the license number, describe the car or learn how many men there were. The bandits' car started eastward at high speed. No one trailed them but towns in all directions were notified.

Democratic Factions

Agree to Oust Natl. Chairman White

(By United Press.)

St. Louis, Mo., Nov. 1.—Warring factions of the democratic party today agreed to oust George White as chairman of the democratic national committee and name Breckenridge Long in his place.

The decision was reached in a conference between Carter Glass, leader of the McAdoo wing of the party, and Senator Pat Harrison, head of the Cox faction.

Communist Reign Of

Terror Extended to the Portugal Consulate

(By United Press.)

Lisbon, Portugal, Nov. 1.—The Sacco-Vanzetti "reign of terror" was extended to this country late today when a bomb exploded in the doorway of the American consulate.

Consul Hallis had a narrow escape but was not injured. The building was badly damaged.

A letter to the consulate declared the bomb was exploded there in protest against the death sentence of Sacco and Vanzetti, Italian communists, convicted of murder in the United States.

POLICE AT FARGO BATTLE ROBBERS

Fargo, Nov. 1.—Police were without a clue to four robbers who attempted to blow the safe in the United States revenue office and escaped under cover of a dense fog.

The safe, according to police, contained \$70,000 and \$100,000 worth of revenue stamps. Police bumped into two of the lookout watchers after being tipped that four strange men were seen in the vicinity. More than 50 shots were exchanged, but none took effect.

The police found soap, flashlights, a sack of cartridges, saws, jimmies and a sledge hammer.

Residents of the northern part of the city paid little attention to the early morning battle, thinking the firing was that of a number of independents celebrating their political victory.

THREE WOMEN ARE KILLED WHEN TRAIL CRASHES INTO AUTO

(By United Press)

Rice, Wis., Nov. 1.—Three women were killed and two seriously hurt here last night when an Omaha road limited crashed into a light touring car in which they were riding. All of the women were from Barron, Wis. The dead are: Mrs. Charles Meyers, Mrs. Frank Arnold and Mrs. A. W. Arndt. The injured: Mrs. S. Doin and Mrs. Simon Taylor are not expected to recover.

TELEGRAPHIC BRIEFS

\$6,581 Loot of Busy Burglars

Minneapolis, Nov. 1.—In a series of holdups that began early Sunday and ended early yesterday, 11 persons were robbed of a total of \$931 in cash, two watches and a pistol, while one safe was broken open and \$150 taken, and unsuccessful attempts made to loot three others, according to police reports. In the same period of time five Minneapolis residences were looted by burglars and property, including diamonds, clothing and money, amounting to \$5,000 was stolen.

Two Are Injured In Auto Mishap.

Rochester, Minn.—S. McKeerson, 113 Vincent Ave. N., Minneapolis, and Marcus Robinson, of Eleventh were injured near here when the car in which they were driving to the football game at Madison, Wis., overturned when they came upon a curve. The two men were picked up by passing autoists and brought to the Colonial hospital here.

Open Season On Whitefish

Birchwood, Wis.—The first 10 days of November will be open season for the netting of whitefish in Shell lake, this county, according to an announcement received by A. F. Cameron, county clerk, from state officials at Madison.

Woman Killed by Automobile Truck

Fargo, N. D.—Struck and knocked down by an auto truck, Mrs. Joseph Solow, aged 70, died two hours afterwards in a hospital here. Police are investigating the cause of the accident.

Home Brew

Owner Arrested

Devils Lake—Swooping down on the battered automobile truck of Sam Rudolph, peddler of meat and fish, authorities found nine gallons of home brew in pasteboard boxes. Rudolph was arrested.

Automobile Charge Brings Three Years

Sioux Falls—In the United States court here Jack P. Gordon, Yankton, was sentenced by Judge Elliott to a term of three years in the federal penitentiary at Leavenworth, following his conviction on a charge of transporting a stolen automobile from one state to another.

Face Murder Trial Nov. 3

Fargo—William Wyant and Henry Kearns, detectives for the Northern Pacific at Jamestown, will be tried on a charge of murder in the first degree in district court here Nov. 3. It is alleged that the watchmen shot and fatally wounded three men in the "jungle" west of Jamestown early in May in a gun battle between officers and transients.

BOOTLEGGERS HELD UP BY ALLEGED FEDERAL AUTHORITIES

**MORE THAN \$100,000 OBTAINED
FROM PROHIB. LAW VIOLATORS—
ARE ARRESTED**

(By United Press.)

Chicago, Nov. 1.—Three persons, including one woman, were under arrest here today on charges of having obtained more than \$100,000 through a systematic shake-down of bootleggers and liquor runners in central states.

James Burns, and his wife Mabel, who were arrested in Peoria last week are held incommunicado, and Walter Reise, who was taken into custody here, were posing as federal agents.

All three were alleged to have carried forged credentials identifying them as supervising federal agents of the revenue department.

James Donovan, who made the arrests after three weeks' chase, said the trio had obtained money from 300 liquor running violators in Illinois, Indiana, Wisconsin and Iowa.

Donovan said they traveled by automobile and when they reached a town they arrested a liquor law violator, taking him to the federal building and then the shakedown would take place in the corridors of the building.

Mrs. Burns was arrested in Peoria, after boarding a train for her home at Ellsworth, Minn.

Japs Not Ready To Withdraw From Sakhalin Island

(By United Press.)

Washington, Nov. 1.—Japan has informed the United States that she is not yet ready to withdraw her military occupation of the north half of Sakhalin Island off Siberia, the United Press was told in authoritative quarters today.

BLIND SOLDIERS OF FRANCE IN WANT

(By United Press.)

Paris, Nov. 1.—France counts among her war heroes 2,300 veterans who will never see the light of day again, they are totally blind.

The French army was not equipped at the outset of the war with the protective devices known to the American army when it took the field, and her soldiers paid valiantly the price of a bitter experience. The majority of the blind were victims of gas attacks at the time when the gas mask had not yet come into being.

Of the 2,300 blind, scarcely 100 have enough to live on. They have received government training in various trades, but practice has proven the fallacy of the theory current during the war that the blind would be able to earn their living. The French pension law only allots 3,000 francs a year to those blinded in the war. They are not classed as "severely wounded," the latter drawing 6,000 francs a year. Both these sums are insufficient to care for those who have sacrificed the best of their life, and a movement is now on foot in the senate to revise war pensions.

MARKET REPORT

Minneapolis Cash Grain

Wheat—No. 1 dark northern, \$1.23½ to \$1.27½; No. 1 northern, \$1.22½ to \$1.24½.

Corn—No. 3 yellow, 40c to 41c.

Oats—No. 3 white, 26½c to 27½c.

Barley—Choice, 49c to 53c.

Rye—No. 2, 70c to 71c.

Flaxseed—Fancy, \$1.68½ to \$1.74½.

South St. Paul Livestock

Estimated Receipts—Cattle, 3,200; calves, 1,000; hogs, 1,500; sheep, 2,000; cars, 250.

Cattle—cows and heifers, \$2.25 to \$6.25; canners and cutters, \$2.23; butcher bulls, \$2.50 to \$3; veal calves, \$3; stock feeding steers, \$4 to \$6.25.

Hogs—\$5.22 to \$7.35.

Sheep—Lambs, \$4.82; ewes, \$1 to \$4.25; wethers, \$1.50 to \$2.50; yearlings, \$4.50 to \$6.25; bucks, \$1.50 to \$2.

St. Paul Hay Market

Timothy—No. 1, \$7; No. 2, \$10.

Alfalfa—Standard, \$21; No. 1, \$17.

Clover Mixed—No. 1, \$17; No. 2, \$12.

Midland Hya—No. 1, \$7.50.

Montreal, Que., Nov. 1.—Hundreds of cars loaded with grain are arriving daily for re-shipment to Europe, and the floating elevators now in operation work fifteen hours a day, and handle about 7,000 bushels of grain an hour, or 420,000 bushels per day.

THE BRITISH-IRISH PEACE NEGOTIATIONS AT BREAKING POINT

(By United Press.)

London, Nov. 1.—The newspapers united in declaring that the Irish peace negotiations which were to have been resumed today were on the verge of a breakdown.

At Downing street it was admitted that "the situation is most difficult but representatives of both the government and the Sinn Fein denied that any actual breakdown had come."

London, Nov. 1.—The government obtained its expected mandate from the house of commons tonight to proceed with the Irish negotiations. The Unionist motion, censuring the government for initiating the Irish negotiations was voted down, 439 to 43.

The premier also achieved another of his oratorical victories before an expectant audience. So far as the movement of protest was designed to draw information as to the proceedings of the conference, it failed. The premier gave no information as to what has been decided, or is being discussed regarding Eamonn De Valera's claim to independence and the rumored attempts to arrange concessions from Ulster for a united Ireland. These remain in the realm of speculation.

One piece of information the premier did give. It was that unless something happens within a few days, presumably in the conference to solve the unsettled status of Ireland's two governments, steps would be taken to give the Ulster parliament the powers necessary to make it a real government.

HUNDREDS TURNED AWAY

(By United Press.)

Los Angeles, Cal., Nov. 1.—Hundreds of murder fans were turned away from the Los Angeles county court house today when Judge Sydney B. Reeve announced no spectators would be allowed in the court while a jury is being selected to try Arthur V. Burch on charges of murdering J. Belton Kennedy. A great crowd, mostly women, had gathered on the street outside the court house before the ruling was made.

Helena Prepares To Wage Cleanup Drive

Helena, Nov. 1.—City and county officials, on request of citizens, have combined on a cleanup campaign. Road houses are to be closed, unless they reform; the bootlegger is to be curbed and dances of questionable character are to be stopped.

Women and girls in increasing numbers are said to have been seen intoxicated at road houses and in and about dance halls.

There has also been steadily rising indignation over the manner in which illicit liquor is finding its way into the hands of girls and boys.

A recent case in which a man held a girl of 14 prisoner in a deserted house for three days was the last straw. He drew a 35 years sentence.

THANKSGIVING PROCLAMATION

By PRESIDENT WARREN G. HARDING

Washington, Nov. 1.—President Harding issued a proclamation last night designating Thursday, Nov. 24, as a day of thanksgiving, devotion and prayer and urging the people to give thanks "for all that has been rendered unto them" and to pray "for a continuance of the divine fortune which has been showered so generously upon this nation."

The proclamation follows: "That season has come when, alike in pursuance of a devout people's honored custom and in grateful recognition of favoring national fortunes, it is proper that the president should summon the nation to a day of devotion, of thanksgiving for blessings bestowed and of prayer for guidance in modes of life, that may deserve continuance of divine favor."

"Foremost among our blessings is the return of peace and the approach of normal ways again. The year has brought us again into relations of amity with all nations, after a long period of struggle and turbulence. In thankfulness therefore, we may well unite in the hope that Providence will by its plan whose wisdom we cannot question. Thus believing, we can do no less than hold our nation the willing instrument of the providence which has so wonderfully favored us. Opportunity for very great service awaits us if we shall prove equal to it. Let our prayers be raised for direction in the right paths. Under God, our responsibility is great; to our own first, to all men afterward; to all mankind in God's own justice."

AUTO BANDITS BLOW BANK SAFE OF ST. LEO BANK

**GET SEVERAL THOUSAND IN SECURITIES—EXPLOSION WRECKS
BANK ROOM**

St. Leo, Minn., Nov. 1.—Bandits blew the safe of the First State Bank of St. Leo at 4 a. m. today and escaped with several thousand dollars in securities and about \$100 in cash. The securities are worthless to the bandits, according to Cashier L. P. Funke. He said there may have been a few liberty bonds in the safety deposit boxes however.

The bandits only succeeded in blowing the outer door of the safe. Most of the bank's cash was within the inner door and was untouched.

Residents heard a light explosion about 3:30 a. m. Many thought it was the pranks of Halloween celebrators and did not know it occurred at the bank.

A short time later a terrific explosion was heard. The whole door of the safe was blown off and parts of it was blown through the front of the building into the street. The whole front of the building was wrecked and the interior of the bank damaged.

Residents were on the street immediately after the explosion and saw men running toward an automobile parked two blocks from the bank. The men escaped.

No one had time to secure the license number, describe the car or learn how many men there were. The bandits' car started eastward at high speed. No one trailed them but towns in all directions were notified.

Democratic Factions Agree to Oust Natl. Chairman White

(By United Press.)

St. Louis, Mo., Nov. 1.—Warring factions of the democratic party today agreed to oust George White as chairman of the democratic national committee and name Breckenridge Long in his place.

The decision was reached in a conference between Carter Glass, leader of the McAdoo wing of the party, and Senator Pat Harrison, head of the Cox faction.

Communist Reign Of Terror Extended to the Portugal Consulate

(By United Press.)

Lisbon, Portugal, Nov. 1.—The Sacco-Vanzetti "reign of terror" was extended to this country late today when a bomb exploded in the doorway of the American consulate.

Consul Hallis had a narrow escape but was not injured. The building was badly damaged.

A letter to the consulate declared the bomb was exploded there in protest against the death sentence of Sacco and Vanzetti, Italian communists, convicted of murder in the United States.

POLICE AT FARGO BATTLE ROBBERS

Fargo, Nov. 1.—Police were without a clue to four robbers who attempted to blow the safe in the United States revenue office and escaped under cover of a dense fog.

The safe, according to police, contained \$70,000 and \$100,000 worth of revenue stamps. Police bumped into two of the lookout watchers after being tipped that four strange men were seen in the vicinity. More than 50 shots were exchanged, but none took effect.

The police found soap, flashlights, a sack of cartridges, saws, jimmies and a sledge hammer.

Residents of the northern part of the city paid little attention to the early morning battle, thinking the firing was that of a number of independents celebrating their political victory.

THREE WOMEN ARE KILLED WHEN TRAIN CRASHES INTO AUTO

(By United Press.)

Rice, Wis., Nov. 1.—Three women were killed and two seriously hurt here last night when an Omaha road limited crashed into a light touring car in which they were riding. All of the women were from Barron, Wis. The dead are: Mrs. Charles Meyers, Mrs. Frank Arnold and Mrs. A. W. Arndt. The injured: Mrs. S. Dolin and Mrs. Simon Taylor are not expected to recover.

TELEGRAPHIC BRIEFS

\$6,581 Loot of Busy Burglars

Minneapolis, Nov. 1.—In a series of holdups that began early Sunday and ended early yesterday, 11 persons were robbed of a total of \$931 in cash, two watches and a pistol, while one safe was broken open and \$150 taken, and unsuccessful attempts made to loot three others, according to police reports. In the same period of time five Minneapolis residences were looted by burglars and property, including diamonds, clothing and money, amounting to \$5,000 was stolen.

Two Are Injured In Auto Mishap.

Rochester, Minn.—S. McKeerson, 113 Vincent Ave. N., Minneapolis, and Marcus Robinson, of Eleventh were injured near here when the car in which they were driving to the football game at Madison, Wis., overturned when they came upon a curve. The two men were picked up by passing autoists and brought to the Colonial hospital here.

Open Season On Whitefish

Birchwood, Wis.—The first 10 days of November will be open season for the netting of whitefish in Shell lake, this county, according to an announcement received by A. F. Cameron, county clerk, from state officials at Madison.

Woman Killed by Automobile Truck

Fargo, N. D.—Struck and knocked down by an auto truck, Mrs. Joseph Solow, aged 70, died two hours afterwards in a hospital here. Police are investigating the cause of the accident.

Home Brew Owner Arrested

Devils Lake—Swooping down on the battered automobile truck of Sam Rudolph, peddler of meat and fish, authorities found nine gallons of home brew in pasteboard boxes. Rudolph was arrested.

Automobile Charge Brings Three Years

Sioux Falls—In the United States court here Jack P. Gordon, Yankton, was sentenced by Judge Elliott to a term of three years in the federal penitentiary at Leavenworth, following his conviction on a charge of transporting a stolen automobile from one state to another.

Face Murder Trial Nov. 3

Fargo—William Wyant and Henry Kearns, detectives for the Northern Pacific at Jamestown, will be tried on a charge of murder in the first degree in district court here Nov. 3. It is alleged that the watchmen shot and fatally wounded three men in the "jungle" west of Jamestown early in May in a gun battle between officers and transients.

BOOTLEGGERS HELD UP BY ALLEGED FEDERAL AUTHORITIES

**MORE THAN \$100,000 OBTAINED
FROM PROHIB. LAW VIOLATORS—ARE ARRESTED**

(By United Press.)

Chicago, Nov. 1.—Three persons, including one woman, were under arrest here today on charges of having obtained more than \$100,000 through a systematic shake-down of bootleggers and liquor runners in central states.

James Burns, and his wife Mabel, who were arrested in Peoria last week are held incommunicado, and Walter Reize, who was taken into custody here, were posing as federal agents. All three were alleged to have carried forged credentials identifying them as supervising federal agents of the revenue department.

James Donovan, who made the arrests after three weeks' chase, said the trio had obtained money from 300 liquor running violators in Illinois, Indiana, Wisconsin and Iowa.

Donovan said they traveled by automobile and when they reached a town they arrested a liquor law violator, taking him to the federal building and then the shake-down would take place in the corridors of the building.

Mrs. Burns was arrested in Peoria, after boarding a train for her home at Ellsworth, Minn.

Japs Not Ready To Withdraw From Sakhalin Island

(By United Press.)

Washington, Nov. 1.—Japan has informed the United States that she is not yet ready to withdraw her military occupation of the north half of Sakhalin Island off Siberia, the United Press was told in authoritative quarters today.

BLIND SOLDIERS OF FRANCE IN WANT

(By United Press.)

Paris, Nov. 1.—France counts among her war heroes 2,300 veterans who will never see the light of day again, they are totally blind.

The French army was not equipped at the outset of the war with the protective devices known to the American army when it took the field, and her soldiers paid valiantly the price of a bitter experience. The majority of the blind were victims of gas attacks at the time when the gas mask had not yet come into being.

Of the 2,300 blind, scarcely 100 have enough to live on. They have received government training in various trades, but practice has proven the fallacy of the theory current during the war that the blind would be able to earn their living. The French pension law only allots 3,000 francs a year to those blinded in the war. They are not classed as "severely wounded," the latter drawing 6,000 francs a year. Both these sums are insufficient to care for those who have sacrificed the best of their life, and a movement is now on foot in the senate to revise war pensions.

MARKET REPORT

Minneapolis Cash Grain

Wheat—No. 1 dark northern, \$1.23½ to \$1.27½; No. 1 northern, \$1.22½ to \$1.24½.

SPECIAL SPECIAL

\$25 for a Royal Tailored All Wool Overcoat made to your measure. Just think of it. 12812

Dance at Woodrow Saturday night, Blue Ribbon orchestra. 12914d.

There will be a special meeting of the Business and Professional Women's club Wednesday evening at 8 o'clock, at the club rooms in the Lyceum building. All members are requested to be present, as matters of much importance are to be discussed. Those having the names of new members to be submitted are asked to bring them to this meeting.

Dr. R. A. Hallquist, Veterinarian, Phone 926-W. Res. 732. 4817

Oberst is creating a sensation in his tailoring department by selling mens overcoats for \$25.00, all wool Royal Tailored. This actually means a saving of \$20.00 to his customer.

This is going some and is bound to result in many sales. 12812

The brick, cement and stone work on the four-story addition to the Northwestern hospital has been completed, and it is now confidently expected that the building will be ready for occupancy by January 1st, which greatly pleases Dr. Joseph Nicholson, the genial head of the hospital. The new building will be absolutely fire-proof.

BRAINERD HIGH 13
LONG PRAIRIE 7

(Contributed by W. G.)

Roughing up the husky group at Long Prairie, the Brainerd eleven fought their way to victory of 13-7 last Saturday, after a trip full of hardships and many physical handicaps.

Brainerd's lack of pep was evidenced the first quarter when the heavier team smashed through the line, made sweeping end runs and completed a pass that resulted in a touchdown. Long Prairie kicked goal making the score 7-0.

The Brainerd eleven began slowly to recover in the second quarter with

Big Dick Peterson's encouraging chatter, Erickson skirted around right end for five yards and Heikenen punted to the 40 yard line taking the ball out of danger. Long Prairie failing to penetrate Brainerd's line tried an aerial pass which Fogle intercepted. Erickson repeated his 5 yard run around right end, and Sargeant plunged through for a brilliant touchdown. Orth missed goal kick making the score 7-6.

The third quarter Long Prairie kicked to Brainerd and the two teams fought fought back way until Brainerd took the ball on their opponents 45 yard line; then Crosswell tore around end for 10 yards and Sargeant with wonderful interference from Heikenen, Fogelstrom, and Hess, ran 35 yards for a touchdown. Orth kicked goal successfully.

The fourth quarter in which Brainerd took the offensive from the start was fought with desperate earnestness. Long Prairie's line worked hard, but the local strings center smashes where the backfield plunged through the holes made by Stoner, Petersen, Hukari, Westberg, and Crosswell, brought the ball within a yard of Long Prairie's goal; and with one more smash the ball lay within a fraction of going over the line. The game ended with the ball on Brainerd's 20 yard line and the score 13-7 in our favor.

The line-up:
Brainerd: Long Prairie
Erickson LE. A. Young
Crosswell LT. Graenma
Hukari LG. Marciuk
Petersen C. Krause
Stoner RG. Day
Westberg RT. Brodka
Orth RE. Sargeant
Fogelstrom Q. Church
Heikenen LHB. Leor
Hess RHB. Knapp
Sargeant FB. G. Young
Substitution: Graham for Hess
Hess for Graham, Carlson for Orth
Orth for Fogelstrom.

ASSEMBLING FOR
SEWER CONSTRUCTION

P. G. Pastorel of Duluth was in Brainerd and members of his force are assembling tools and material for the construction of 15 blocks of sewer, which contract was recently awarded him by the city.

His intention is to push the work as quickly as possible, using a trenching machine where conditions permit it.

Charles Chaplin at the Park Tomorrow Night

Who is the best-known man in the world?

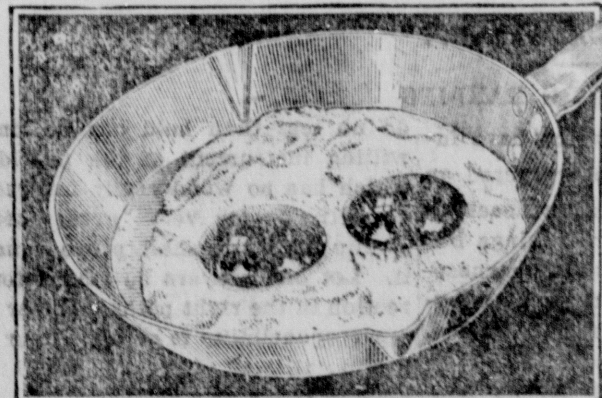

The answers to this question probably would include about twenty names, such as Lloyd George, Woodrow Wilson, Edison, Ford, Marconi, Pershing and Trotsky, but they are all wrong.

Chaplin's latest picture, "The Idle Class," will be shown at the New Park Wednesday. Like its predecessors, it is packed with laughs galore.

WHAT OF THE FUTURE ?

The improved state highways are making this part of the country a center for tourists. They will bring much new business to Brainerd.

There are yet tremendous possibilities in the iron deposits of the Cuyuna Range. Some of the world's richest manganese deposits are near us, but there is no practical process to work the ore.

The industrial, the commercial, and the agricultural developments are only begun. Young men are accumulating capital here, they are building their bank credit, they are working for promotion by hard work and study. Thus they are preparing for great achievement.

Older men are saving to send their boys to school and college, for students of chemistry, engineering, mineralogy, agriculture, economics and commerce will be needed in the coming era.

And as in the past forty years this bank will be a dynamo generating financial power that new enterprise will need.

Brainerd's lack of pep was evidenced the first quarter when the heavier team smashed through the line, made sweeping end runs and completed a pass that resulted in a touchdown. Long Prairie kicked goal making the score 7-0.

The Brainerd eleven began slowly to recover in the second quarter with

Big Dick Peterson's encouraging chatter, Erickson skirted around right end for five yards and Heikenen punted to the 40 yard line taking the ball out of danger. Long Prairie failing to penetrate Brainerd's line tried an aerial pass which Fogle intercepted. Erickson repeated his 5 yard run around right end, and Sargeant plunged through for a brilliant touchdown. Orth missed goal kick making the score 7-6.

The third quarter Long Prairie kicked to Brainerd and the two teams fought fought back way until Brainerd took the ball on their opponents 45 yard line; then Croswell tore around end for 10 yards and Sargeant with wonderful interference from Heikenen, Foglestrom, and Hess, ran 35 yards for a touchdown. Orth kicked goal successfully.

The fourth quarter in which Brainerd took the offensive from the start was fought with desperate earnestness. Long Prairie's line worked hard, but the local strings center smashes where the backfield plunged through the holes made by Stoner, Peterson, Hukari, Westberg, and Croswell, brought the ball within a yard of Long Prairie's goal; and with one more smash the ball lay within a fraction of going over the line. The game ended with the ball on Brainerd's 20 yard line and the score 13-7 in our favor.

The line-up:
Brainerd Long Prairie
Erickson LE A Young
Croswell LT Graenman
Hukari LG Mareluen
Peterson C Krause
Stoner RG Day
Westberg RT Brooks
Orth RE Sargeant
Foglestrom Q Church
Heikenen LHB Leon
Hess RHB Knapp
Sargeant FB G. Yoder
Substitution: Graham for Hess
Hess for Graham, Carlson for Orth
Orth for Foglestrom.

ASSEMBLING FOR
SEWER CONSTRUCTION

P. G. Pastorel of Duluth was in Brainerd and members of his force are assembling tools and material for the construction of 15 blocks of sewer, which contract was recently awarded him by the city.

His intention is to push the work as quickly as possible, using a trenching machine where conditions permit it.

Charles Chaplin at the Park
Tomorrow Night

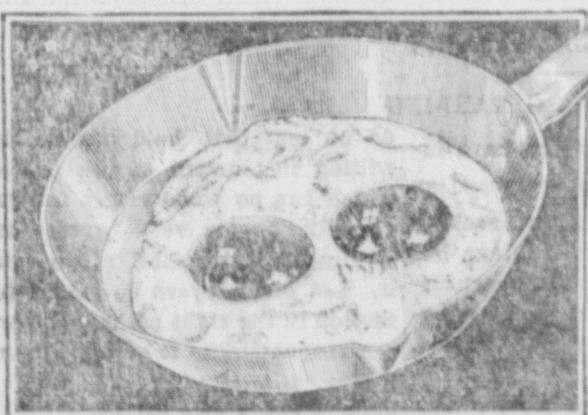

Who is the best-known man in the world?

The answers to this question probably would include about twenty names, such as Lloyd George, Woodrow Wilson, Edison, Ford, Marconi, Pershing and Trotsky, but they are all wrong.

Chaplin's latest picture, "The Idle Class," will be shown at the New Park Wednesday. Like its predecessors, it is packed with laughs galore.

WHAT OF THE FUTURE ?

The improved state highways are making this part of the country a center for tourists. They will bring much new business to Brainerd.

There are yet tremendous possibilities in the iron deposits of the Cuyuna Range. Some of the world's richest manganese deposits are near us, but there is no practical process to work the ore.

The industrial, the commercial, and the agricultural developments are only begun. Young men are accumulating capital here, they are building their bank credit, they are working for promotion by hard work and study. Thus they are preparing for great achievement.

Older men are saving to send their boys to school and college, for students of chemistry, engineering, mineralogy, agriculture, economics and commerce will be needed in the coming era.

And as in the past forty years this bank will be a dynamo generating financial power that new enterprise will need.

SUNDAY SCHOOL CONVENTION REPORT

63rd Annual Convention of Minnesota Sunday School Association Held in Mankato

COME TO BRAINERD IN 1922

Work of Association Proceeding in Marked Way for Promotion of Interest in Religious Education

The sixty-third annual convention of the Minnesota Sunday School Association closed its sessions on Sunday evening, at Mankato with a great session that was a fitting climax for the great convention.

The report showed that the work of this association was proceeding in a very marked way in its great program for the promotion of the interests of religious education.

The State Superintendent, James C. Garrison, reported 21 counties reorganized this year and the spirit that was shown at this convention was a pledge of this fact. 1200 delegates were in attendance from a large number of the counties organized in the state. The program was a treat with the great interests of this field and has set a new forward point in giving such a large amount of time to the interests of Week-Day Religious Instruction and Christian Summer School.

The music was an outstanding feature using the hymnal for American Youth published by the Century Company, with H. A. Griebnow of Minneapolis, as the Director and E. G. Clingman of the McPhail School of Music playing the cornet. It was the greatest inspiration.

Because of the last minute cancellation of the engagement of Myron C. Settle of Kansas City, Prof. Norman C. Richardson, Dean of the Department of Religious Education of Northwestern University was secured and made a most acceptable presentation, of the great program of Week-Day Religious Instruction.

C. E. Woodward of Minneapolis was elected president. The invitation from Brainerd to hold the sixty-fourth annual convention in that city was accepted.

Among other things, it was urged upon the State Board of Trustees that the full quota of delegates to the convention at Kansas City, Mo., June 21-27 be filled. It is expected that a special car will go to this convention with Minnesota's delegation.

Concordia Society Entertained

The Concordia Young People's society of the Bethlehem Lutheran church will be entertained this evening at the church by Mrs. Anna Saltee and Mr. and Mrs. A. Gilbertson.

The program will be given at 8:15 o'clock:
Piano Solo..... Dorothy Fisher
Vocal Solo..... Mrs. Chas. Rice
Address..... Rev. S. M. Kelly
Vocal Duet, Esther Fogelstrom, Jennie Berk.

Special numbers will be given by Mrs. G. E. Erickson's pupils of East Oak Lawn school.

Entertain on Halloween

John Lowey, the young son of Mr. and Mrs. Frank Lowey, 603 North Fourth street, entertained fourteen boys at a jolly Halloween party on Monday evening, from 5 to 8.

A delightful Halloween party was given on Monday evening by Misses Selma and Dorothy Kleven and Master Roger Kleven, children of Mr. and Mrs. T. K. Kleven, 415 North Broadway, who nicely entertained a group of their little friends.

First Presbyterian Aid

The Ladies Aid of the First Presbyterian church will meet at the home of Mrs. C. B. Peterson, 816 6th St. South Wednesday afternoon. Mrs. Peterson and Mrs. Frank Russell will entertain. Members and friends cordially invited.

Peoples Congregational Aid

The Ladies Aid of the Peoples Congregational church will be entertained by Mrs. Gust Norquist and Mrs. Peter Forsberg Wednesday afternoon. Ladies come prepared to sew carpet rags.

Attention Yeomen

Regular meeting of Brainerd Homestead No. 602, B. A. Y. will be held in Elks hall Wednesday evening, Nov. 2. There will be dancing after the meeting. Members are urged to attend.

Episcopal Guild

The Ladies Guild of the Episcopal church will meet at the home of Mrs. C. L. Burnett, 708, 6th St., No. Wednesday at 3 o'clock. A large attendance is desired.

Young Peoples Class

The Young Peoples class of the Swedish Baptist church will meet at the home, 426 Forsythe St., N. E. on Wednesday evening.

HALLOWEEN PARTIES

Classes of Zion Evangelical Church Have Social Functions in Church Basement

At Zion Evangelical church of Northeast Brainerd two Halloween social functions were held in the basement.

On Friday evening the senior department of the Young Peoples Alliance decorated the rooms in orange and black with numerous Jack-o-lanterns. Fortune telling and games were the amusements of the evening. Light refreshments were served.

On Saturday evening the Intermediate class had a similar party. The participants wore masks and appropriate costumes.

MET PRES. HARDING AND GEN. PERSHING

Miss Emily Anderson of Brainerd, Recent Graduate Nurse of Army School of Nursing

CONVERSES WITH 2 NOTABLES

She Entered Hospital Training During the Dread Flu Epidemic in Year of 1918

Miss Emily Anderson, a recent graduate nurse from the Army School of Nursing, Walter Reed General Hospital, Washington, D. C., has been enjoying a vacation of two months in Brainerd, visiting with relatives and friends.

Miss Anderson entered training in 1918, during the flu epidemic, reporting for duty at the Base Hospital at Camp Sevier, Greenville, S. C. She was transferred for medical and surgical experience to Camp Taylor, Louisville, Ky. and later to the Walter Reed General Hospital, where she was graduated on June 16, 1921.

Miss Anderson was a graduate of a class of 550 student nurses, and the graduation day was a memorable one. Miss Anne Goodrich, of New York City, delivered the graduation address, which was most inspiring. The dean of the Army School of Nursing is Major Julia Stimpson.

While in training Miss Anderson had several occasions to meet personally and speak with President Harding and with General Pershing.

She has been offered a position at the new Northern Pacific hospital at St. Paul, and expects to leave about the first of the month for duty there.

Brainerd is always glad to hear of the success of one of its own home girls, and Miss Anderson's many acquaintances and friends have followed and will watch her career with interest.

BARRICADING OF ROADS, HALLOWEEN

Highway Traffic Interfered With at Backus, Automobile Tires are Damaged

SHARP DRAG PLACED IN STREET
Boxes and Lumber, Cultivators and Other Farm Machinery Dragged Into Street

The Halloween spirit which exemplifies itself in Brainerd by merely soaping of windows has no counterpart in Backus. A tourist party Halloween night came from the north and at Backus encountered one of the most flagrant examples of criminal carelessness in the state. The attention of State Highway Commissioner C. M. Babcock has been called to it.

At Backus

The main street of the town through which State Trunk Highway No. 19 passes was barricaded by stretches of lumber and boxes. The worst offense came at a point where hoodlums had dragged the whole stock of an implement warehouse into the street and placed cultivators and other implements in a checker board design which a car had difficulty to thread. The last obstruction sunk partly in the dirt was a drag with sharp spikes which the car of the tourists struck, badly damaging tires. For a town to permit its part of State Highway No. 19 to be blocked and spiked in such criminal manner is something that ought to be investigated. After changing tires the motorists dragged it off the street to save any party following from encountering spiking.

At Hackensack there was no blockade of streets, but numerous out-buildings had changed their location. One stood in the street center carrying the postoffice sign. Sections of fence reposed against store windows. Just south of Mildred the motorist's car encountered a cornstalk barricade. The car was stopped and the barricade removed so as not to bother other motorists.

WINTER SPORTS ARE CHAMPIONED

Committee Meets at Chamber of Commerce to Provide Municipal Ice Skating, Tobogganing

SKIING AND KINDRED SPORTS

Public Spirited Forces of City Uniting to See that Young Brainerd Is Taken Care Of
(Contributed)

Hurrah! Skating, Tobogganing, Skiing. With flowers in blossom, that does not sound very realistic. But wait. Soon King Winter will put in his appearance (Mr. Sherlund to the contrary notwithstanding) and then—well read on and see what is in store for the boys and girls (and those who though older in years, enjoy the winter pastimes).

The committee that has the matter in hand met last night in the Chamber of Commerce to make what are almost the final arrangements to give Brainerd one of the finest places for winter sports imaginable. "Nothing is too good for our boys and girls" is the slogan of the committee. Some time ago at a meeting of the N. E. Brainerd Improvement League, it was proposed to set in motion a skating ring project. Upon further consideration it was found to be advantageous to have one large rink, centrally located, that would serve the whole city. Thus the movement branched out, and the following organizations are lending support: the N. E. Brainerd Improvement League, the League of Professional Women; the Chamber of Commerce, the Park Board, the S. E. Brainerd club; the Brainerd Athletic club. Also from other sources support is given to the movement, so that the committee in charge feels justified in making the necessary arrangements. The movement was given impetus when C. W. Koering permitted the use of the

ground north of the P.H. This, while, being ideal for the purpose, is also very accessible to all parts of the city. Here it will be possible to make a skating rink more than a block square. Also it is intended to make a toboggan slide 1000 feet long. A way for skiing will be provided.

A superintendent has been appointed. The League of Professional Women will chaperon the grounds. This will insure a high moral tone.

A good building is to be moved on to the grounds, which will be heated and kept in good order. Lighting is provided for, and—last but not least, water and finally—and this is the best of all—everything is to be free to all.

The committee estimate of the cost of this project is \$500.00. A small amount is to be realized through the sale of "Brainerd", auto tags. It is proposed to raise the necessary funds by means of popular subscription. The Brainerd Dispatch, which is always in the forefront in every movement for advancing the interests of the city, is lending its aid in the campaign for funds. Send in your mite to help this worthy cause. Checks should be made payable to the Brainerd Dispatch.

COUNT ON CALUMET

If you want every I bake-day to be a success—if you want positive results at an economical cost—use and depend on

CALUMET BAKING POWDER

Bakings are always uniform in the millions of homes where it is used. Everything served is just right—tender, light, perfectly raised and thoroughly wholesome.

Failures are unknown.

Guard the purity of your bakings—use Calumet. It's pure in the can—pure in the baking. Contains only such ingredients as have been officially approved by the United States Pure Food Authorities.

Order Calumet today—it will pay.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

WADENA BOWLS BRAINERD TONIGHT

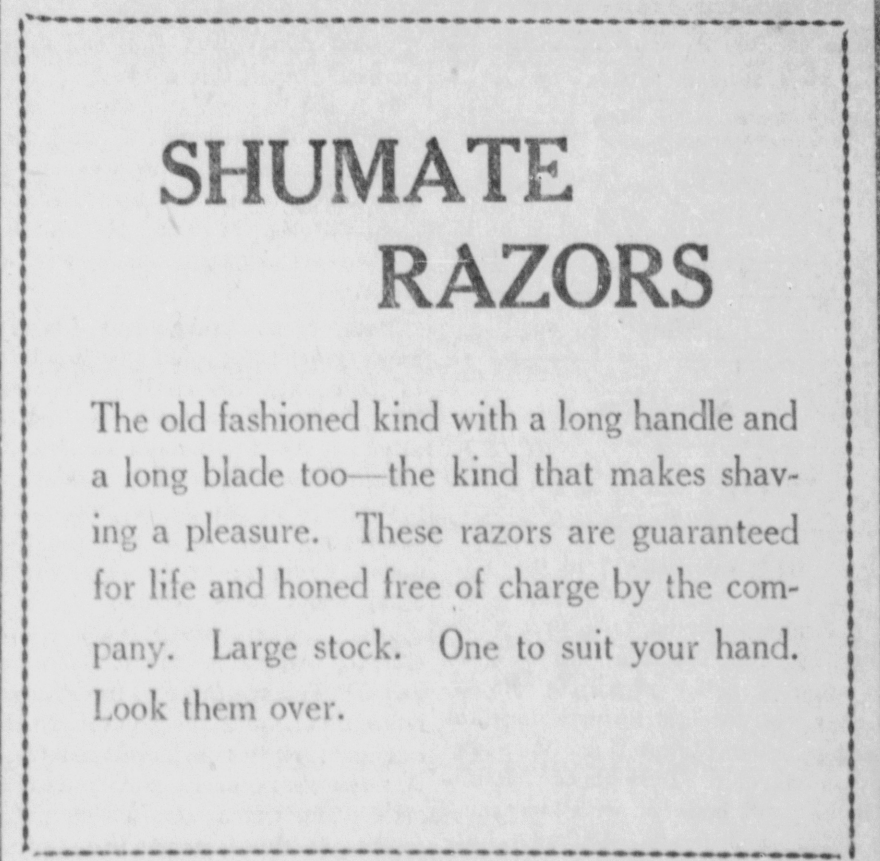

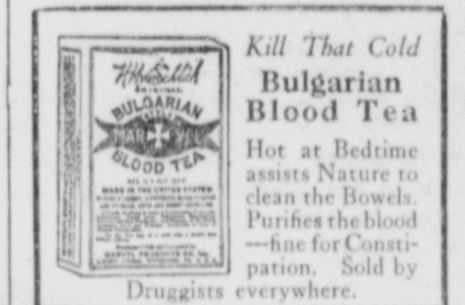

Wadena is sending their best players down to play the Brainerd team at the Brainerd alleys Tuesday evening at 7:30 o'clock.

There will be no charge to see the game, all are welcome.

CALIFORNIA WEATHER HERE

Neil O'Brien Picks Bouquet of Flowers in His Garden on Last Day of October

California weather in Minnesota was exemplified on the last day of October when Neil O'Brien picked a bouquet of sweet peas, poppies and geraniums in the garden of his north side home.

OUR FOREIGN LOANS

It is now expected, from present indications, that the Congress will settle upon a policy regarding the refunding of foreign loans before the Conference on Limitation of Armaments convenes. It is hoped that this will be done, because, with increasing frequency and persistency, reports appear in European papers that European delegates to the conference will endeavor to introduce the proposal of cancellation of war loans made by the United States as one of the conditions precedent to any reduction in armament.

The statement is made that the most common report is that they will propose to agree to any reasonable program of reduction of armament put forward by the United States, if the United States will, in turn, agree to cancel foreign loans. The members of Congress and administration officials cannot grasp the logic of this position, as it is certainly to the economic interest of all European nations to reduce their armaments as much as possible. And it may be observed, also, that the least concerned, from the standpoint of the financial burdens which large armaments entail, is the United States, for most of the European countries are on the verge of bankruptcy.

NO LEAGUE TICKET

While Minnesota Democrats, as is well known, are already organizing for next year's state campaign, it is said semi-officially that the Nonpartisan League will have no state ticket of its own at the 1922 election in Minnesota. The League will, however, endorse candidates presented by either of the two old political parties, or men who file independently of party conventions at the primaries.

League leaders, it is said, will work out this plan. They think they see an opportunity in this course for the League to constitute itself the determining factor in primary and final elections. It would thus endeavor, by throwing its vote to one candidate in the primaries, to nominate him, and in the same way to elect him. It may be said, however, that neither Republican or Democratic leaders are betraying any particular agitation over the League plan.

It is very generally assumed that Gov. Preus and all the other Republican state officials will be candidates for re-election next year. There has not been much talk so far as to Democratic candidates, though it is said James Carley and Mrs. Peter Olson have designs on the governorship and United States senator respectively.

RAIL SETTLEMENT HELPS IDLE

The action of the railroad men in calling off the strike order will, it is generally expected, result in a marked stimulus of purchasing by Northwest lines. The carriers are not expected however to improve their financial condition sufficiently before spring to warrant initiation of equipment or material expenditures on a pre-war scale. The railroad officials say, however, that if sustaining earnings are assured next year, orders for 1922 delivery of extensive purchases undoubtedly will be made.

Of course the return to the market of the railroads, as the largest group buyer in the country, will naturally greatly stimulate industry and commerce in all lines. And this production in railway equipment and supplies industries will mean the employment of more men virtually on all lines, the officials declare.

The Northern Pacific, it is stated, contemplates extensive improvement of line facilities as well as equipment.

One of the needs of the United States is to Americanize the politicians who cater to the hyphenate vote.

The principal trouble at present seems to be that our financial system is taking the anti fat cure.

REDISTRICTING THE COUNTY

(Contributed.)

A matter of far-reaching consequence is the request made upon the Board of County Commissioners by the Crosby Commercial Club to re-district the county. As everybody is interested in such a matter, it seems fitting to give Dispatch readers a review of what is involved and what others have said upon this subject.

It is not in error to assume that legally the Commissioners must re-district the county if, after a census has been taken, it can be shown that gross inequalities exist in the population of the various existing commissioner districts.

The present arrangement was made many years ago, when the population of the county was small and centered in and around Brainerd. As the law allows only five commissioners, the present districts make it possible to have three of the five commissioners residents of Brainerd, and the three districts represented by them contain today about 10,000 people.

This is where one large source of trouble originates today. Brainerd has or may have three of the five commissioners; and the Ironton-Crosby-Cuyuna jurisdiction, developed in the last ten years, is in a commissioner district in which also 10,000 people reside. In this instance 10,000 people are represented by only one commissioner. The fifth of the five districts of today consists of nine townships along the south county line, contains only 2709 people and these have one commissioner of their own.

The law is such that a district is not determined by acreage or mileage involved, but by population. As nearly as possible, each district must contain one-fifth of the population of the county. The population of the county is 24,567. If one says that a certain district is too large and that the commissioner of that district can not get around it suitably and look after his district properly, is it also true that if a district is very small in area the commissioner from that district does not have enough to do. The two districts in Brainerd are certainly very small. It is impossible to adjust acreage without disturbing the balance in the number of people per district.

The Board of Commissioners are perhaps guided mainly by that requirement of the law which refers to population per unit. If it were possible to divide the county more equally according to acreage and comply with the proviso pertaining to population, it would be an ideal situation.

Another feature enters, and it has already been made the ground of the principal objection which has been advanced thus far. The people of Pequot have announced that they dislike having a Brainerd man represent them and their surrounding community. Ironton and Crosby say that if Brainerd with its 10,000 people has two commissioners, then the present district in which they are situated with its 10,000 people should have two commissioners.

To district the county in accordance with that suggestion would be to make matters worse than they may be now. The Crosby club recognizes that, and as a remedy proposes to make new districts of nearly equal population. Crosby will become the undisputed metropolis of one such district. Ironton will be the metropolis of the adjoining district, but as it includes Pequot, Jenkins, Nisswa, Hubert and Merrifield, the Pequot people feel that they are exchanging dominance by Brainerd for dominance by Ironton. This Ironton now contradicts.

Another plan that has been proposed for consideration is based on the principle that industry should also be considered in determining how to subdivide. For instance; Brainerd and its 10,000 people must have two commissioners. Brainerd is urban in character and manufacturing is the principal industry. Mining is a prominent industry in the county, and as Ironton, Crosby and Cuyuna villages, our principal mining towns, have 5,000 people, they would properly constitute one district and a mining man would or could represent it. The remainder of the county is divided into two parts and is primarily rural (agricultural) although a little of the mineral industry appears in each district. Such a division complies with all requirements. It keeps Brainerd in and for Brainerd; it unites Ironton, Crosby and Cuyuna, as they should be united; it gives the rural or agricultural communities quite the exclusiveness they desire, and under it perhaps Pequot will develop more favorably and quicker than under the present arrangement.

The Crosby Club says that its motive is to get a sufficient voice amongst the Commissioners which will help to build roads and bridges leading to Ironton and Crosby and thereby give the Pequot and Emily farmers a chance to send their products into the profitable markets of Ironton and Crosby. That idea or purpose is worthy of much consideration. District

lines are not physical barriers and under any district plan, the desire to build markets and promote marketing can always be made a persistent plan of campaign and recognition of it and construction is bound to come. No commission would throttle development in any one part of a county. Only absolute predominance or control of three commissioners would ever assure immediate and positive passage of any plan. Such a predominance or willful control should not exist at any time.

A former commissioner has persistently expressed his objections to and dislike for certain commissioners then in office. Regardless of whether the criticisms were just and merited, his point has been, and now is, that the individual himself must be properly qualified to fill the position of commissioner and perform the duties meritoriously, and let the district be what it may. In the last campaign in his district he even opposed the incumbent in office who was a Pequot man and aided the candidate who now lives on a farm just outside of Brainerd but who resided in Brainerd for 39 or 40 years. One would surmise that there was no fear Pequot would be neglected, nor was there fear that domination by the Brainerd influence or by the commissioners from Brainerd would result.

It would seem, therefore, that industry and the type or class of the people in the county should be first in mind, and the plan should be to obtain for them a proportional representation on the Board. Population is of secondary importance only and merely to be used to meet the requirement to obtain contiguous political units in any one district. The size or acreage of the district is of very little consequence compared to the other two requirements. It is up to the voters to elect willing and interested workers as commissioners and then no district need worry about the welfare of its people or those of the county. No plan of redistricting can regulate nor prescribe this element of personal qualification.

We support the proposal to re-district the county, but we propose no outlined areas. We may easily present several plans for districting the county, but the men who are on the commission today know from experience where exist the weaknesses or inequalities of the present plan of districts and they are fully competent to rectify them insofar as legal authority makes that possible; and whatever they may finally prescribe will surely be done with the idea that all things and all people will be dealt with justly and meritoriously.

OF INTEREST TO DEER HUNTERS

Those who are concerned for the protection of deer and who realize that radical changes are needed to preserve our most important big game animal, will welcome the alterations in Minnesota regulations of deer hunting. It should be remembered that deer and moose hunting this year will be subject to these regulations.

1. License Fees.—Resident, \$2.00; non-resident, \$5.00.

DISTRICT COURT IN NEW COURTHOUSE

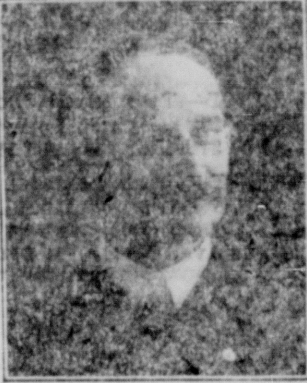

Judge W. S. McClenahan of Brainerd Has Honor of Presiding at First Regular Session There

LENGTHY TERM ANTICIPATED

Grand Jury Charged and Retires, Preliminary Call of Civil Calendar is Held

Tuesday, November 1, 1921, Judge W. S. McClenahan of Brainerd, prominent jurist and the mentor of the district judges of this district, had the distinct honor of opening the first regular term of the district court held in the new court house of which Crow Wing county is so justly proud.

The November term will be a lengthy one. The civil calendar em-

JUDGE W. S. MCCLLENAHAN
Who Has Honor of Opening November Term in New Court House

braces 54 cases and the criminal call has five cases listed and the grand jury will probably report several additional. The personal property cases number 37.

Grand Jury

The grand jury was charged by Judge McClenahan and retired to its deliberations. He appointed D. C. Henderson of Niswara foreman. Two jurors were excused, John J. Borst of Pequot and Clyde E. Parker of Brainerd.

Preliminary Call

This disposal was made of cases in the preliminary call of the civil calendar:

Continued: Duluth News Tribune Co. vs Ironton Mfg. & Pub. Co.; Victor Heinonen vs Alex. Ylha; Woodhead Motor Co. vs Louis Lemire.

Passed: Itasca Cedar & Tie Co. vs George A. McKinley et al defendants and W. B. Jordan et al intervenors; A. B. Calper et al vs Farmers Shipping Assn.; Della H. Prindle vs Edward M. Prindle.

Jury trial: Charles E. Evans vs Gust F. Hillstrom; Sidney M. Freeman et al vs John A. Erickson et al; Roderick F. McHugh vs T. F. Gustafson; G. L. Miller et al vs Charles O. Osterlund; J. C. Nelson & Son vs Independent School District No. 48; Delia Lemire vs Claus A. Theorin, sheriff; Frank E. Freeman et al vs Bay Lake Fruit Growers Assn.; G. M. Warren vs J. J. Waffensmith et al; Cuyuna Range Power Co. vs Merritt Development Co.; Lizzie Thoroldson, special administrator vs Joseph Nicholson; Citizens State bank vs Louis Lemire et al; Florence Anderson vs Jenkins State bank; George Johnson vs Northern Pacific railroad et al; I. Freedman Co. vs The Brainerd Bargain store; Gust Carlson et al vs C. A. Kreech; Guy Cunningham vs L. H. Mattson; Waso Radekovich vs Claus A. Theorin; Elia Corwin vs P. J. Nygren; Clinton Corwin vs P. J. Nygren; Robert E. Snell vs E. B. Stroutenberg; Eugene J. Magnan vs James Dougherty; First National bank of Miles City vs Charles R. Beebe; W. H. Locker vs Cuyuna, Minneapolis Iron Co.; Alice Alling, special administrator vs Northwestern Bell Telephone Co. et al.

Foot of calendar and may not be tried: D. M. Clark et al vs W. O. Hoerr.

Court cases for hearing: State of Minnesota vs Merritt Development Co.; P. J. Ryan vs Edna J. Freeman et al; Backus Lumber Co. vs Florence Anderson et al; Dover Lumber Co. vs Jan C. Dimmick et al; Florence Anderson vs Jenkins State bank; Frances Hlacher vs John Hlacher. In the matter of the application of Agnes I. Lamb to vacate plat of lots 1 to 14, inclusive of Block 4; First Addition to Crosby Beach; Mahum Lumber Co. vs C. A. Stanley et al; James G. Reid vs Leonard A. Day et al; James G. Reid vs H. E. Coleman et al.

Foot of calendar pending settlement: Pequot Farm Produce Shipping Ass. vs F. G. Cutler.

Dismissed: Florence Rogers vs H. W. Hallett.

Jury case pending settlement: William Pascoe vs G. A. Anderson.

Court or jury case argument: Wilson Bradley vs John Wahl.

Jury case foot of calendar: H. O.

R. E. STEPHENSON HEADS BOWLERS

L. O. Kelsven is Re-elected Secretary-Treasurer of League and Statistician

SPARES, STRIKES SEASON ON

Ring of the Maples Clicking Through November Air, Once in a While a Bump in the Alley Too

The bowlers get-together meeting held Monday night at the Chamber of Commerce, was well attended and all present participated quite freely in the organization of the city bowling league and in the plans and rules for the bowling season.

R. E. Stephenson was re-elected president of the league and L. O. Kelsven was again elected secretary and treasurer.

The City league is to consist of six teams of 5 men each, no team to be allowed any subs except by consent of all the captains of all six teams.

It was voted to make it a handicap league, all players starting with 175 as scratch and allowing handicap to all players under 175 over, with a maximum handicap of 25 per man.

The captains for the six teams are as follows: Frank Blake, Vm. Demmers, Oscar Oelwein, Vm. Saxon, James Alderman and Pete Snraker.

Word was received from St. Cloud that they were planning to send their city team up to get even for the two trimmings the Brainerd bowling team have given them the past two years.

The Brainerd Bowling League will start their contest on Monday, Nov. 7th.

Plans are being made to start another league on Friday night. All bowlers who are interested in joining a league should hand in their names to the secretary.

At the Park Last Night

Oriental love is the underlying theme of "One Arabian Night," starring Pola Negri, which is showing at the New Park theatre tonight.

Rau vs Joseph Storzbach; Frank W. Ackerman vs Joe LaPlant.

Jury trial and day certain to be set: Perry E. Duff vs Northern Pacific railway company.

Settled and dismissed: Fred M. Koop vs The Superior Lodge, Degree of Honor.

Settled: Broker Lumber Co. vs J. O. Ostby Aal.

Jury case, motion for continuance by plaintiff, also asked permission to file an amended answer: D. A. Robinson vs The Northwest Paper Co.

Stricken, improperly on calendar, Thomas Keating Co. vs Inland Steel Co.

Stricken, was tried last term, State of Minnesota vs Donald Castle. Put on calendar: Henry J. Cooper vs Wm. E. Delaney.

Criminal Calendar Call

The criminal calendar was call and this disposition made of cases: State vs Arnold Kalland, dismissed.

City of Brainerd vs William Lappen, jury trial.

State vs Hugo Olson, an appeal from the Crosby municipal court, was dismissed, fine to be paid in Crosby municipal court as per statement made by C. L. Benedict.

State vs Bert H. Boynton, jury trial.

State vs W. T. Larrabee, jury trial.

Sweeney Says:

Now is the time to do the "fixing up" for winter around the house. We can supply you with tar-paper, nails, window-glass, etc., at fair prices.

ACCIDENT WAS AN UNAVOIDABLE ONE

Declares Jury at Coroner's Inquest Held Over Remains of Henry Drapeau

WAS KILLED BY AUTOMOBILE

Jury Out 15 Minutes—Men in Fatal Car Waive Rights and Testify Too at Inquest

CORONER'S JURY
VERDICT IS GIVEN

The coroner's jury empaneled to consider the automobile accident which ended the life of Henry Drapeau, pioneer resident and retired business man of Brainerd on October 30, arrived at a verdict in 15 minutes and said his death was caused by an unavoidable accident.

The jury members were: P. J. McGinn, A. G. Lagerquist, C. E. Paabody, A. T. Fisher, J. W. Koop, Wm. Garvey.

The coroner's jury convened by Dr. C. A. Nelson, met at 2:30 P. M. Monday and finished its labors in an hour and a half.

Dr. I. G. Badeaux, who treated Mr. Drapeau at the Sisters hospital, testified death came from a fractured skull. He had received same from striking on a hard object like a stone. The right eye was black, indicating internal hemorrhage.

Mr. and Mrs. Charles Heath who were at the P. J. Kiely store, testified. Mrs. Heath saw the accident and gave her version and called Mr. Heath.

Grover Peterson stepped on the running board of the Ford of the hunters and helped convey Mr. Drapeau to the Sisters hospital.

Joe Ernst was standing on the river bridge and testified the speed of the

Ill-fated Ford was not excessive, being 10 or 12 miles an hour.

Deputy Sheriff John Byrne testified as to his version of the accident.

Alvin Bohmer of Avan, who owns a meat market in his home town, was the driver of the Ford that accidentally struck and killed Mr. Drapeau. He waived his rights and testified at the inquest and said the car was driven slowly and that Mr. Drapeau, in avoiding another car stepped directly in front of his car.

Ben Schmiters and Hubert Schmiters of Holdingford, who were seated in the Ford car, also testified.

Sheriff Claus A. Theorin also gave testimony.

DISTRICT COURT IN NEW COURTHOUSE

Judge W. S. McClenahan of Brainerd Has Honor of Presiding at First Regular Session There

LENGTHY TERM ANTICIPATED

Grand Jury Charged and Retires. Preliminary Call of Civil Calendar is Held

Tuesday, November 1, 1921, Judge W. S. McClenahan of Brainerd, prominent jurist and the nestor of the district judges of this district, had the distinct honor of opening the first regular term of the district court held in the new court house of which Crow Wing county is so justly proud. The November term will be a lengthy one. The civil calendar en-

JUDGE W. S. McCLENAHAN
Who Has Honor of Opening November Term in New Court House

braces 54 cases and the criminal call has five cases listed and the grand jury will probably report several additional. The personal property cases number 37.

Grand Jury

The grand jury was charged by Judge McClenahan and retired to its deliberations. He appointed D. C. Henderson of Nisswa foreman. Two jurors were excused, John J. Borst of Pequot and Clyde E. Parker of Brainerd.

Preliminary Call

This disposal was made of cases in the preliminary call of the civil calendar:

Continued: Duluth News Tribune Co. vs Ironton Mfg. & Pub. Co.; Victor Heinen vs Alex. Ylha; Woodhead Motor Co. vs Louis Lemire.

Passed: Itasca Cedar & Tie Co. vs George A. McKinley et al defendants and W. B. Jordan et al intervenors; A. D. Carper et al vs Farmers Shipping Assn.; Della H. Prindle vs Edward M. Prindle.

Jury trial: Charles E. Evans vs Gust F. Hilestrom; Sidney M. Freeman et al vs John A. Erickson et al; Roderick P. McHugh vs T. F. Gustafson; G. L. Miller et al vs Charles C. Osterlund; J. C. Nelson & Son vs Independent School District No. 45; Della Lemire vs Claus A. Theorin, sheriff; Frank E. Freeman et al vs Bay Lake Fruit Growers Assn.; G. M. Warren vs J. J. Waffensmith et al; Cuyuna Range Power Co. vs Merritt Development Co.; Lizzie Thorildson, special administrator vs Joseph Nicholson; Citizens State bank vs Louis Lemire et al; Florence Anderson vs Jenkins State bank; George Johnson vs Northern Pacific railroad et al; I. Freedman Co. vs The Brainerd Bargain store; Gust Carlson et al vs C. A. Kreh; Guy Cunningham vs L. H. Mattson; Waso Radakovich vs Claus A. Theorin; Ellis Corwin vs P. J. Nygren; Clinton Corwin vs P. MINNESOTA POTATO GRADES AND REGULATORY ORDERS

GOVERNING THE SHIPMENT AND INSPECTION OF COMMERCIAL POTATOES AND PRODUCE

AS PROVIDED FOR UNDER CHAPTER 78, SESSION LAWS OF 1921

Issued by the Commissioner of Agriculture, October 4, 1921. Effective within the State on and after November 3, 1921.

Grade Designations

1. "Minnesota Grade No. 1" shall hereafter be known, for the purpose of establishing identity of standards, as "United States No. 1."

2. "Minnesota Grade No. 2" shall hereafter be known as "United States No. 2."

3. "Minnesota North Star Grade" is identical with "United States Fancy Grade," and the shipper shall have the option of attaching either grade designation to potatoes complying with the requirements of said grade.

4. "Minnesota Field Run Grade" is hereby abolished, and "Unclassified" is substituted therefor.

Grade Requirements

The requirements of Minnesota graded potatoes shall be as follows:

1. Minnesota North Star Grade (Identical with United States Fancy.)

This grade shall consist of sound potatoes of one variety which are mature, bright, smooth, well shaped, free from dirt or other foreign matter, frost injury, sunburn, second growth, growth cracks, cuts, scab, blight, soft rot, dry rot, and damage caused by disease, insects, or by mechanical or other means. The range in size shall be stated in terms of minimum and maximum diameter or weight following the grade name, but in no case shall the diameter be less than two inches.

In order to allow for variations incident to commercial grading and handling, five per centum by weight of any lot may vary from the range in size stated, and, in addition, three per centum by weight of any such lot may be below the remaining requirements of this grade; but not more than one-third of such three per centum, that is to say, not more than one per centum by weight of the entire lot, may have the flesh injured by soft rot.

2. United States No. 1

This grade shall consist of sound potatoes of similar varietal characteristics which are practically free from dirt or other foreign matter, frost, injury, sunburn, second growth, growth cracks, cuts, scab, blight, soft rot, dry rot, and damage caused by disease, insects, or mechanical or other means.

The diameter of the potatoes of the round varieties shall not be less than one and seven-eighths inches, and of potatoes of long varieties one and three-fourths inches.

In order to allow for variation incident to commercial grading and handling, five per centum by weight of any lot may be under the prescribed size, and, in addition, six per centum by weight of any such lot may be below the remaining requirements of this grade; but not more than one-third of such six per centum, that is to say, not more than two per centum by weight of the entire lot, may have the flesh injured by soft rot.

3. United States No. 2

This grade shall consist of potatoes of similar varietal characteristics which are practically free from frost injury and soft rot, and which are free from serious damage caused by sunburn, cuts, scab, blight, dry rot, or other disease, insects, or mechanical or other means.

The diameter of potatoes of this grade shall not be less than one and one-half inches.

In order to allow for variations in-

cident to commercial grading and handling, five per centum by weight of any lot may be under the prescribed size, and, in addition, six per centum by weight of any such lot may be below the remaining requirements of this grade; but not more than one-third of such six per centum, that is to say, not more than two per centum by weight of the entire lot, may have the flesh injured by soft rot.

Unclassified

Potatoes of unsuitable table quality not complying with the requirements of grades Nos. 1 and 2 or of North Star grade, shall be known as "Unclassified" and shall be bought and sold subject to sales agreement.

Regulations Covering Loading and Shipment of Potatoes Within the State of Minnesota

Effective November 3, 1921

On and after November 3, 1921, all wholesale shipments of potatoes originating within the State of Minnesota, and all potatoes arriving in interstate commerce, not bearing the inspection of the United States or of the State or country of origin, shall be designated by the shipper according to the following regulations:

1. Every shipper of potatoes where the shipment originates within the state and is consigned to a receiver, either within or without the state, shall make declaration of quality according to the Potato Grades herewith established.

2. Every receiver of potatoes arriving in interstate or international commerce, for resale within the State of Minnesota, shall, except where said potatoes show the inspection of the United States, or of the State of origin, make like declaration of quality.

3. Said declaration of quality shall consist of a statement upon the invoice of sales slip, indicating the grade and the quantity claimed by the owner or shipper of the potatoes at the time said shipment is made.

4. No shipper dealing at wholesale shall, as defined in Chapter 78, Session Laws of 1921, remove, obliterate, change, or in any manner destroy the claims of quality indicated by the grade designation attached to such shipment, except where the inspection provided by the state places upon the shipment an official grade designation.

5. No shipper shall use the term "Minnesota Inspected" or in any manner claim inspection for his shipment unless an official inspection shall have been made, in which case a copy of such inspection shall accompany the sale.

6. If, upon arrival at point of destination, the receiver shall find the quality and condition to be as described on the invoice or sales slip, and if payment is made therefor in accordance with the market or contract price for the grade and quality claimed, then the transaction, so far as the state is concerned, is complete.

7. In the event that the buyer of potatoes marked with the grade claimed by the shipper shall find the shipment upon arrival not to conform to the grade claimed, he shall, unless the shipper shall have waived his rights to inspection (See Paragraph F, Section 2, Chapter 78, Minnesota Laws of 1921), cause the same to be examined by an inspector assigned by the Com-

missioner for that purpose, upon arrival of said shipment and prior to any offer or acceptance of adjusted settlement.

8. Upon receipt of written request for inspection the Commissioner immediately shall cause said shipment to be inspected, and the inspection so made, subject to re-inspection by the commissioner, shall be final relative to the question of grade and condition.

9. Inspection shall be in triplicate. One copy of the inspection report shall be given to the consignee, one shall be given to the consignee, and the third filed with the Commissioner of Agriculture.

10. The inspection report shall show, in addition to the necessary facts establishing the grade, quality and condition of the potatoes at time of inspection and any visible car defects. By "car" is meant any means used to transport produce.

11. An inspection fee of \$4.00 per car shall be charged to cover the costs of said inspection. The inspection fee shall become due and payable to the inspector immediately upon completion of the inspection and prior to issuance of the report of inspection. All fees shall be paid by check or draft made in favor of the Commissioner of Agriculture. Fees for the inspection of less than car lots shall be as given in "Note A."

12. Inspection is provided for the St. Paul, Minneapolis and Duluth terminals. Inspection at other points, in cases of dispute as to grade, will be given upon payment of the actual expense incurred, including, in addition to the inspection fee, traveling expenses and subsistence of inspector from place of inspection to point of inspection and return.

Note (a) 1. Charges where there are three (3) or more lots in one car, per car, \$7.50. 2. Two lots, one-third and two-thirds, per car, \$6.50. 3. Two lots, one-half and one-half, per car, \$5.00.

Note (b). When inspection is desired at once, write out and mail a request for such inspection, stating where the car is located, its number, the grade claimed and to whom the car is consigned. Then wire or telephone as follows:

For Minneapolis or St. Paul inspection:

State Department of Agriculture, Room 202, New Capitol Bldg., St. Paul, Telephone, Tri-State, Garfield 5445.

For Duluth inspection:

Inspector, State Department of Agriculture, Office County Agricultural Agent, Court House, Duluth, Minn.

Definition of Grade Terms

As used in these grades:

"Mature" means that the outer skin (epidermis) does not loosen or "feather" readily during the ordinary methods of handling.

"Bright" means free from dirt or other foreign matter, damage or discoloration from any cause, to an extent such that the outer skin (epidermis) has the attractive color normal for the variety.

"Smooth" means free from second-growth, growth cracks, and other abnormally rough surfaces.

"Well-shaped" means the normal typical shape for the variety in the district where grown, and free from pointed, dumb-bell shaped, excessively

elongated, and other ill-formed potatoes.

"Diameter" means the greatest dimension at right angles to the longitudinal axis.

"Soft Rot" means the soft, mushy condition of the tissues from whatever cause.

"Free" means that neither the appearance nor the physical structure has been appreciably damaged by the causes mentioned.

"Practically free" means that the appearance shall not be injured to any extent readily apparent upon casual examination of the lot, and that any damage from the causes mentioned can be removed by the ordinary process of paring without appreciable increase in waste that would occur, if the potatoes were perfect. Loss of outer skin (epidermis) only shall not be considered as an injury to the appearance.

"Free from serious damage" means that any damage from the causes mentioned can be removed by the ordinary process of paring without increase in waste of more than ten per centum by weight over that which would occur if the potato were perfect.

Grade No. 2. There are two distinct features whereby potatoes which are excluded from No. 1 Grade may be classed as No. 2, provided they are up to the requirements for the last mentioned classification. In the one instance, potatoes which are under the minimum size for No. 1 grade, but not under 1½ inch diameter, are classed as No. 2, on account of small size, although such stock in other respects may be smooth and free from blemishes. In the other instance, this grade may consist of potatoes which are excluded from No. 1 grade on account of blemishes or defects. In the latter case the size may, or may not be sufficiently large for No. 1. From the foregoing it can be seen that there are two general classifications of No. 2 stock, the one consisting of small potatoes, the other of blemished stock. The tolerance for both grades are the same. In the No. 2 specifications, there are no restrictions mentioned relative to second growth, growth cracks or dirt, therefore such are permissible.

In both grades the provisions regarding freezing injury and soft rot are also the same. Particular attention is called to the fact that the specifications for No. 2 grade provide that the potatoes shall be free from serious damage caused by the other blemishes and defects enumerated while the No. 1 requirements provide that the stock shall be sound and "practically free" from blemishes. The definitions of the grade terms show conclusively that there is a wide difference in the degree of injury covered by these respective designations.

Potatoes which are blemished to a degree sufficiently serious to be excluded from No. 2 grade are of no commercial value. In shipping No. 2 stock it is advisable that the quality be stated by the shipper in all cases.

A lot of potatoes is not necessarily classified as No. 2 merely because it does not meet No. 1 requirements on account of undersize or blemished stock in excess of the tolerance. For example: Should a lot contain 15 per cent badly blemished stock, it would

still be of far better quality than a lot of No. 2, as 85 per cent of the stock would be grade No. 1, therefore, such a lot should be considered as "Unclassified."

"Unclassified." This is in effect a contract grade, and in every case of shipment or sale the size and quality of the potatoes shipped should be specified on the invoice of sales slip.

A Tough Situation

"My wife and four children were dependent on me for their living. My stomach and liver trouble of five years had made me despondent as no medicine seemed to help me, and I was gradually wasting away. It was a tough situation. My cousin in Columbus wrote me about having taken Mayr's Wonderful Remedy and advised me to try it. I am now feeling better than for fifteen years." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Johnson's Pharmacy and all dealing druggists. Adv.

RED PEPPER HEAT ENDS RHEUMATISM

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It cannot hurt you, and it certainly stops that old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package. Adv.

This is the **YOU** Should Use

It's different from others because more care is taken in the making and the materials used are of higher grade.

Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish. Used on sample stoves and sold by hardware and grocery dealers.

All we ask is a trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. Insist on Black Silk Stove Polish. Made in liquid or paste—one quality.

Black Silk Stove Polish Works
St. Louis, Mo.

Use Black Silk Air-Drying Enamel on grates, registers, stove-pipes—Prevents rusting. Use Black Silk Metal Polish for silver, nickel or brass. It has no equal for use on automobiles.

BETTER DEAD

Life is a burden when the body is racked with pain. Everything worries and the victim becomes despondent and downhearted. To bring back the sunshine take

GOLD MEDAL HAARLEM OIL

(CAPSULES)

The national remedy of Holland for over 200 years; it is an enemy of all pains resulting from kidney, liver and uric acid troubles. All druggists, three sizes. Look for the name Gold Medal on every box and accept no imitation

SALTS IF KIDNEYS OR BLADDER BOTHER

HARMLESS TO FLUSH KIDNEYS NEUTRALIZE IRRITATING ACIDS

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble. Adv.

MINNESOTA POTATO GRADES AND REGULATORY ORDERS

GOVERNING THE SHIPMENT AND INSPECTION OF COMMERCIAL POTATOES AND PRODUCE

AS PROVIDED FOR UNDER CHAPTER 78, SESSION LAWS OF 1921

Issued by the Commissioner of Agriculture, October 4, 1921. Effective within the State on and after November 3, 1921.

Grade Designations

1. "Minnesota Grade No. 1" shall hereafter be known, for the purpose of establishing identity of standards, as "United States No. 1."

2. "Minnesota Grade No. 2" shall hereafter be known as "United States No. 2."

3. "Minnesota North Star Grade" is identical with "United States Fancy Grade," and the shipper shall have the option of attaching either grade designation to potatoes complying with the requirements of said grade.

4. "Minnesota Field Run Grade" is hereby abolished, and "Unclassified" is substituted therefor.

Grade Requirements

The requirements of Minnesota grade potatoes shall be as follows:

1. Minnesota North Star Grade (Identical with United States Fancy.)

This grade shall consist of sound potatoes of one variety which are mature, bright, smooth, well shaped, free from dirt or other foreign matter, frost injury, sunburn, second growth, growth cracks, cuts, scab, blight, soft rot, dry rot, and damage caused by disease, insects, or by mechanical or other means. The range in size shall be stated in terms of minimum and maximum diameter or weight following the grade name, but in no case shall the diameter be less than two inches.

In order to allow for variations incident to commercial grading and handling, five per centum by weight of any lot may vary from the range in size stated, and, in addition, three per centum by weight of any such lot may be below the remaining requirements of this grade; but not more than one-third of such three per centum, that is to say, not more than one per centum by weight of the entire lot, may have the flesh injured by soft rot.

2. United States No. 1
This grade shall consist of sound potatoes of similar varietal characteristics which are practically free from dirt or other foreign matter, frost injury, sunburn, second growth, growth cracks, cuts, scab, blight, soft rot, dry rot, and damage caused by disease, insects, or mechanical or other means.

The diameter of the potatoes of the round varieties shall not be less than one and seven-eighths inches, and of potatoes of long varieties one and three-fourths inches.

In order to allow for variation incident to commercial grading and handling, five per centum by weight of any lot may be under the prescribed size, and, in addition, six per centum by weight of any such lot may be below the remaining requirements of this grade; but not more than one-third of such six per centum, that is to say, not more than two per centum by weight of the entire lot, may have the flesh injured by soft rot.

3. United States No. 2
This grade shall consist of potatoes of similar varietal characteristics which are practically free from frost injury and soft rot, and which are free from serious damage caused by sunburn, cuts, scab, blight, dry rot, or other disease, insects, or mechanical or other means.

The diameter of potatoes of this grade shall not be less than one and one-half inches.

In order to allow for variations in-

cident to commercial grading and handling, five per centum by weight of any lot may be under the prescribed size, and, in addition, six per centum by weight of any such lot may be below the remaining requirements of this grade; but not more than one-third of such six per centum, that is to say, not more than two per centum by weight of the entire lot, may have the flesh injured by soft rot.

4. Unclassified

Potatoes of unsalable table quality not complying with the requirements of grades Nos. 1 and 2 or of North Star grade, shall be known as "Unclassified" and shall be bought and sold subject to sales agreement.

Regulations Covering Loading and Shipment of Potatoes Within the State of Minnesota

Effective November 3, 1921.

On and after November 3, 1921, all wholesale shipments of potatoes originating within the State of Minnesota, and all potatoes arriving in interstate commerce, not bearing the inspection of the United States or of the State or country of origin, shall be designated by the shipper according to the following regulations:

1. Every shipper of potatoes where the shipment originates within the state and is consigned to a receiver, either within or without the state, shall make declaration of quality according to the Potato Grades herewith established.

2. Every receiver of potatoes arriving in interstate or international commerce, for resale within the State of Minnesota, shall, except where said potatoes show the inspection of the United States, or of the State of nation of origin, make like declaration of quality.

3. Said declaration of quality shall consist of a statement upon the invoice of sales slip, indicating the grade and the quantity claimed by the owner or shipper of the potatoes at the time said shipment is made.

4. No shipper dealing at wholesale shall, as defined in Chapter 78, Session Laws of 1921, remove, obliterate, change, or in any manner destroy the claims of quality indicated by the grade designation attached to such shipment, except where the inspection provided by the state places upon the shipment an official grade designation.

5. No shipper shall use the term "Minnesota Inspected" or in any manner claim inspection for his shipment unless an official inspection shall have been made, in which case a copy of such inspection shall accompany the sale.

6. If, upon arrival at point of destination, the receiver shall find the quality and condition to be as described on the invoice or sales slip, and if payment is made therefor in accordance with the market or contract price for the grade and quality claimed, then the transaction, so far as the state is concerned, is complete.

7. In the event that the buyer of potatoes marked with the grade claimed by the shipper shall find the shipment upon arrival not to conform to the grade claimed, he shall, unless the shipper shall have waived his rights to inspection (See Paragraph F, Section 2, Chapter 78, Minnesota Laws of 1921), cause the same to be examined by an inspector assigned by the Com-

missioner for that purpose," upon arrival of said shipment and prior to any offer or acceptance of adjusted settlement.

8. Upon receipt of written request for inspection the Commissioner immediately shall cause said shipment to be inspected, and the inspection so made, subject to re-inspection by the commissioner, shall be final relative to the question of grade and condition.

9. Inspection shall be in triplicate. One copy of the inspection report shall be given to the consignor, one shall be given to the consignee, and the third filed with the Commissioner of Agriculture.

10. The inspection report shall show, in addition to the necessary facts establishing the grade, quality and condition of the potatoes at time of inspection and any visible defects. By "car" is meant any means used to transport produce.

11. An inspection fee of \$4.00 per car shall be charged to cover the costs of said inspection. The inspection fee shall become due and payable to the inspector immediately upon completion of the inspection and prior to issuance of the report of inspection. All fees shall be paid by check or draft made in favor of the Commissioner of Agriculture. Fees for the inspection of less than car lots shall be as given in "Note A."

12. Inspection is provided for the St. Paul, Minneapolis and Duluth terminals. Inspection at other points, in cases of dispute as to grade, will be given upon payment of the actual expense incurred, including, in addition to the inspection fee, traveling expenses and subsistence of inspector from place of inspection to point of inspection and return.

Note (a) 1. Charges where there are three (3) or more lots in one car, per car, \$7.50. 2. Two lots, one-third and two-thirds, per car, \$6.50. 3. Two lots, one-half and one-half, per car, \$5.00.

Note (b). When inspection is desired at once, write out and mail a request for such inspection, stating where the car is located, its number, the grade claimed and to whom the car is consigned. Then wire or telephone as follows:

For Minneapolis or St. Paul inspection:

State Department of Agriculture, Room 202, New Capitol Bldg., St. Paul, Telephone, Tri-State, Garfield 5445.

For Duluth inspection:

Inspector, State Department of Agriculture, Office County Agricultural Agent, Court House, Duluth, Minn.

Definition of Grade Terms

As used in these grades:

"Mature" means that the outer skin (epidermis) does not loosen or "feather" readily during the ordinary methods of handling.

"Bright" means free from dirt or other foreign matter, damage or discoloration from any cause, to an extent such that the outer skin (epidermis) has the attractive color normal for the variety.

"Smooth" means free from second-growth, growth cracks, and other abnormally rough surfaces.

"Well-shaped" means the normal typical shape for the variety in the district where grown, and free from pointed, dumb-bell shaped, excessively

elongated, and other ill-formed potatoes.

"Diameter" means the greatest dimension at right angles to the longitudinal axis.

"Soft Rot" means the soft, mushy condition of the tissues from whatever cause.

"Free" means that neither the appearance nor the physical structure has been appreciably damaged by the causes mentioned.

"Practically free" means that the appearance shall not be injured to any extent readily apparent upon casual examination of the lot, and that any damage from the causes mentioned can be removed by the ordinary process of paring without appreciable increase in waste that would occur if the potatoes were perfect. Loss of outer skin (epidermis) only shall not be considered as an injury to the appearance.

"Free from serious damage" means that any damage from the causes mentioned can be removed by the ordinary process of paring without increase in waste of more than ten per centum by weight over that which would occur if the potato were perfect.

Grade No. 2. There are two distinct features whereby potatoes which are excluded from No. 1 Grade may be classed as No. 2, provided they are up to the requirements for the last mentioned classification. In the one instance, potatoes which are under the minimum size for No. 1 grade, but not under 1½ inch diameter, are classed as No. 2, on account of small size, although such stock in other respects may be smooth and free from blemishes. In the other instance, this grade may consist of potatoes which are excluded from No. 1 grade on account of blemishes or defects. In the latter case the size may, or may not be sufficiently large for No. 1. From the foregoing it can be seen that there are two general classifications of No. 2 stock, the one consisting of small potatoes, the other of blemished stock.

The tolerance for both grades are the same. In the No. 2 specifications, there are no restrictions mentioned relative to second growth, growth cracks or dirt, therefore such are permissible.

In both grades the provisions regarding freezing injury and soft rot are also the same. Particular attention is called to the fact that the specifications for No. 2 grade provide that the potatoes shall be free from serious damage caused by the other blemishes and defects enumerated while the No. 1 requirements provide that the stock shall be sound and "practically free" from blemishes. The definitions of the grade terms show conclusively that there is a wide difference in the degree of injury covered by these respective designations.

Potatoes which are blemished to a degree sufficiently serious to be excluded from No. 2 grade are of no commercial value. In shipping No. 2 stock it is advisable that the quality be stated by the shipper in all cases.

A lot of potatoes is not necessarily classified as No. 2 merely because it does not meet No. 1 requirements on account of undersize or blemished stock in excess of the tolerance. For example: Should a lot contain 15 per cent badly blemished stock, it would

still be of far better quality than a lot of No. 2, as 85 per cent of the stock would be grade No. 1, therefore, such a lot should be considered as "Unclassified."

"Unclassified." This is in effect a contract grade, and in every case of shipment or sale the size and quality of the potatoes shipped should be specified on the invoice of sales slip.

A Tough Situation

"My wife and four children were dependent on me for their living. My stomach and liver trouble of five years had made me despondent as no medicine seemed to help me, and I was gradually wasting away. It was a tough situation. My cousin in Columbus wrote me about having taken Mayr's Wonderful Remedy and advised me to try it. I am now feeling better than for fifteen years." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Johnson's Pharmacy and all dealing druggists. Adv.

RED PEPPER HEAT

ENDS RHEUMATISM

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It cannot hurt you, and it certainly stops that old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quick relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package. Adv.

This is the Stove Polish YOU Should Use

IT'S different from others because more care is taken in the making and the materials used are of higher grade.

Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and shines like four times as long as ordinary stove polish. Used on sample stoves and sold by hardware and grocery dealers. All we ask is trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish, you ever used, your dealer is authorized to refund your money. Insist on Black Silk Stove Polish. Made in liquid or paste—one quality. Black Silk Stove Polish Works, Sterling, Illinois. The Black Silk Stove Polish is made on a special, registered, process—It is the only Black Silk Metal Polish for silver, nickel or brass. It has no equal for clean, safe, shining.
